Greater Kansas City Day 2020

Sponsorship Information
For the last 32 years, coinciding with Royals Opening Day, over 1,000 volunteers take the streets of Kansas City to sell a special edition of the Kansas City Star and specially designed Royals Charities Royals Flags. The money raised by our volunteers supports the youth of Kansas City. Greater Kansas City Day is the opportunity to come together as a community.

When you become a sponsor you are helping to magnify and support our efforts.

Greater Kansas City Day is April 2, 2020
With a mission to provide a life-changing camping experience for disabled and disadvantaged youth, the Rotary Youth Camp has been serving children in the Greater KC Metro community, free of charge, since 1924. Located along the beautiful shores of Lake Jacomo, the 40-acre camp is available throughout the year for camping. The layout of the camp grounds and activities are planned with campers’ specific needs and disabilities in mind. The camp does not charge any youth organization to use its facilities which include an accessible pool, nature trail, cabins, tent camping areas, and a spacious dining hall.
